Prescription Refills on the Go

With mobileRx, you can request refills from anywhere, anytime. Download the mobileRx Pharmacy app or use your pharmacy's web address to order refills online. Follow the steps below to get started.

Step 1: Set Up, App Version

Request refills using your smartphone or tablet. Search for **mobileRx Pharmacy** in your app store or scan the appropriate QR code below to download the app.

Android

iPhone

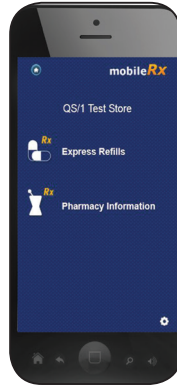

Step 1: Set Up, Web-Browser Version

Request refills on your laptop or desktop computer.

1. Enter your pharmacy's unique url: m.mobilerx.net/BoothwynApothecary.
2. Enter your pharmacy's phone number, area code first, with no spaces or dashes: **6104851130**.

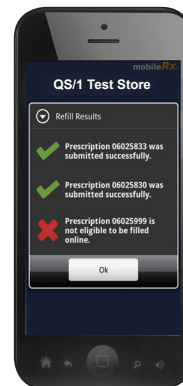

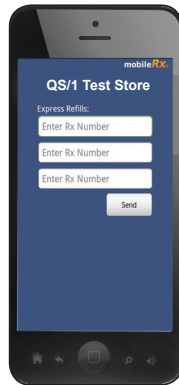

Step 2: Home Screen

The Home Screen displays options for requesting refills.

Step 3: Enter Prescriptions

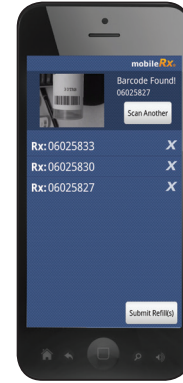

Express Prescription Refills allows you to enter up to three prescription numbers to be refilled at a time. To request more than three refills, repeat the process.

This feature notifies you instantly if prescriptions are accepted or if there is an error.

Step 4: Scan Prescription Barcode

Scan the barcode label on the prescription bottle, and click Submit Refill(s).

Pharmacy Information

This screen displays information about your pharmacy, including name, address, phone number and hours of operation.
